

**"Where Are You Going?"
Dave Matthews Band**

Where are you going
With your long face pulling down?
Don't hide away, like an ocean
But you can't see, but you can smell
And the sound of waves crash down

I am no superman, I have no reasons for you
I am no hero, aw that's for sure
But I do know one thing is
Where you are is where I belong
I do know, where you go, is where I wanna be

Where are you going? Where do you go?
Are you lookin' for answers to questions under the stars?
Well if along the way, you are growing weary
You can rest with me until a brighter day. You're okay

I am no superman. I have no answers for you
I am no hero, aw that's for sure
But I do know one thing is
Where you are is where I belong
I do know, where you go, is where I wanna be

Where are you going? Where do you go?
Where do you go? Where are you goin'? Where do you go?

I am no superman. I have no answers for you
I am no hero, aw that's for sure
But I do know one thing is
Where you are is where I belong
I do know, where you go, is where I wanna be

Where are you goin'? Where do you go?
Tell me where are you going?
Where? Let's go.
